### **The First Reunion of Past Canadian Presidents of the Order of AHEPA and Daughters of Penelope**

The reunion was held in Banff, Alberta on Sunday, May 20th in conjunction with Royal Canadian District #24's District Convention. Eight former Presidents met along with the current Canadian Presidents in a brainstorming session to share ideas on how they could be ambassadors for both the Fraternal Orders and the AHEPA Family Charitable Foundation of Canada. They shared some of their wisdom and past experiences on membership and fundraising. Everyone left feeling that some progress had been made, appreciative of this opportunity to share knowing that plans were in place to utilize the experiences of the past to improve the future.
