**The AHEPA Family Charitable Foundation of Canada offers
two (2) JTG Scholarships to Canadian students for 2010:**

The original, first awarded in 2007, and this year's new "Nick Logothetis Journey to Greece Scholarship". Both scholarships cover the Program Fee for one Session plus C\$1250 towards airfare and transportation; the Lord Byron Toronto AHEPA Chapter covers the airfare and transportation for the original scholarship. The University Program Fee includes: tuition, transcripts, accommodations for students, lunches (Monday – Friday), access to the library and computer facilities, group excursions, travel costs & lodging while in Greece, orientation, welcome & farewell receptions.

The AHEPA FCFC established the Journey to Greece Scholarship Program in 2006 to sponsor Canadian students. High school graduates, undergraduate or graduate students qualify (see application for details; www.ahepacanada.org). The Journey to Greece Program is offered by the AHEPA Educational Foundation and the University of Indianapolis Athens Campus (9 Ipitou Street, Syntagma Square & Plaka; www.uindy.gr). As in previous years, two Sessions are planned for the summer of 2010 (see prospectus at: www.ahepa.org).

PREVIOUS APPLICANTS WHO DID NOT RECEIVE A JTG
SCHOLARSHIP ARE ENCOURAGED TO APPLY

Gloria Gagalis of Calgary, Alberta; 2009 AHEPA FCFC JTG Scholarship recipient:

I have traveled to Greece prior to this trip to visit my family however my other visits have been unlike the Journey to Greece Program. In this period of study, excursions, and daily life I analytically observed Greek culture and came to understand the historical significance of many traditions and aspects of Greek life. I truly enjoyed all of the aspects of the program. What a wonderful opportunity to examine Greek culture and help me reflect on my own Greek identity. Thank you!

Peter Papapetrou of Whitby, Ontario; 2008 AHEPA FCFC JTG Scholarship recipient:

"The Journey to Greece program was a very memorable experience that gave me an excellent opportunity to explore my native homeland through travelling, studying, and making new friendships. The program was well organized, and I was impressed most by how welcoming the supervisors and others involved in the program were to me and my fellow participants".

Antonia Schindle of Argyle, Manitoba; 2007 AHEPA FCFC JTG Scholarship recipient:

"Spending my first summer in Greece on the AHEPA Journey to Greece program has been the most amazing experience of my life".
